- Motor
- Controller
- Chassis

3.4 Cost Allocation under Extended Warranty

- Repair / replacement cost: Fully borne by **GOEEN**.
- Transportation, logistics, courier, and handling costs: Fully borne by the **Customer**.

No other parts, consumables, accessories, batteries, or electrical components are covered under Extended Warranty.

4. Warranty Conditions:

- The warranty is valid only for the original purchaser of the EV scooter.
- The warranty is valid only if the product is purchased from an authorized company dealership.
- The EV scooter must be used for personal use and not for commercial purposes, competitions, stunts, or abusive riding.
- The scooter must not be modified, altered, or fitted with accessories from non-approved sources.
- The scooter must not be repaired or have spare parts replaced by non-authorized sources.
- Any tampering, misuse, or negligence that results in damage or defects will void the warranty.

4.1 Additional Condition for Extended Warranty Eligibility

- **Unauthorized Parts:** Use of any **non-GOEEN, third-party, or unauthorized parts/components** without prior written approval from GOEEN will **void the Extended Warranty**, and any related warranty claim may be rejected.
- In such cases, the customer shall be entitled **only to the Standard One (1) Year Warranty**, strictly as per applicable terms and conditions.

5. FIRE, ACCIDENT & SAFETY DISCLAIMER (IMPORTANT)

5.1 Fire Incident Exclusion

Any fire incident, thermal event, short circuit, explosion, or burning of the Vehicle or its components **arising from external, abnormal, or uncontrollable causes** shall **not be covered** under the standard or extended warranty.

Accordingly, GOEEN shall not be liable for:

- Injury, death, property damage, or any indirect or consequential loss
- Insurance claims or third-party liabilities
- Replacement or compensation of the Vehicle or its parts due to such fire incidents

This exclusion applies where the fire incident is **not attributable to a proven manufacturing defect** covered under the warranty.

5.2 Non-Liability Clause

Fire incidents may occur due to multiple external and uncontrollable factors, including but not limited to faulty house wiring or charging points, improper earthing, water ingress or exposure to moisture, unauthorized modification or tampering, external short circuits, use of non-approved chargers or batteries, and environmental factors or human negligence.

GOEEN shall not be liable for fire-related incidents **solely or primarily** arising from the above causes.

Any liability of GOEEN, if established, shall be strictly limited to obligations expressly stated under the applicable warranty terms and shall not extend to any indirect, incidental, or consequential damages, subject to applicable provisions of law, including the Indian Contract Act, 1872 and applicable consumer protection laws.
